## SINGLE STYLE BOARD REFERENCE GUIDE

Colors, materials and other details of shingle style boards to help homeowners select shingle colors that complement their homes and landscaping. Color palette is based on the "Past and Present" color palette for shingle style homes, with an accent color palette based on the Shingle Style Color Palette.

This guide lists the colors and materials used in the shingle style color palette. It is not meant to be a strict color palette for the home, but rather a guide to help homeowners select colors.
